

ONTARIO NATURE YOUTH SUMMIT

On September 20-22, 2019 Ontario Nature hosted another successful Youth Summit for Biodiversity and Environmental Leadership at YMCA Geneva Park near Orillia, Ontario.

The Friends of Charleston Lake Park are proud supporters of this yearly event.

Our 2019 candidate from Rideau District High School in Elgin had this to say about her experience:

This weekend was amazing and I am so grateful for the experience. I was a part of workshops such as bringing in biodiversity, breaking up with plastic and careers in conservation. I felt like I learned an abundance of new information and met so many people with a similar mind set as my own. The experience was unforgettable and I definitely concluded that environmental sciences was for sure the university and career route I want to take. Thank you for helping me along the way and being a part of my great experience!
